President  
Federation Royale Marocaine de Bridge

Pavia, November 9th 2021

Dear President, dear Abdellatif,

Thank you for your letter October 27<sup>th</sup> and excuse me for the delay in answering because, as already referred by Marina, the mail without indication went to the spam box.

We are very happy for your confirmation and we are really excited to organize the world Championship in Marrakesh.

Next weekend I will meet Marc De Pauw and I will send you a couple of options to define our visit to Marrakesh to finalise all the organisational details.

Looking forward to meeting you,

Un abbraccio,  
Gianarrigo
